RE: Lower Darby Creek Area Superfund Site
My Client: Norwood Borough

Dear Ms. Prisk:

Confirming our December 5 telephone conversation, it is my understanding that the documents that I sent to you on November 19, along with the information previously provided to you by my office, constitute the only records that Norwood Borough would have with regards to any dumping of materials within Norwood Borough, or the dumping of Norwood Borough materials outside of Norwood Borough.

Should you wish to discuss this matter further, or if you feel that there are any other records that you would want us to make available to you, please do not hesitate to contact me.

I thank you for your consideration.

Very truly yours,

Joel S. Robbins, Esquire
